Young OD of the Year Award Guidelines

A Young Optometrist is defined as those who have been in practice of 10 years or less, and who have showed remarkable leadership skills when serving their profession, patients and community. Below outlines some of the criteria in which the nominee should be evaluated.

Service to Optometry:

- Initiated or implemented any unique plan or program benefiting Optometry.
- Published professional articles or research findings shared with colleagues.
- Promoted and fostered interest in the profession with potential students.

Service to the Visual Welfare of the Public:

- Works with any sight saving groups such as VISION, USA, VOSH, Lions Clubs.
- Participates in any solo public service efforts, such as vision screenings, public speaking to heighten awareness of eye health.
- Works on legislative activities beneficial to the visual welfare of the public.
- Active in governmental health care or highway safety committee programs.
- Service on political committees or actively supported any legislative efforts to advance the public's visual welfare.

Public Service:

- Political, public health, or military service.
- Work in education services including local school boards, alumni associations, scholarship foundations, and youth/sports groups.
- Leadership in community issues including, local businesses, civic organizations, service groups and disaster relief projects.
- Participation in charitable causes and institutions including board of directors or as a consultant.
- Community service through involvement with religious groups or institutions.

Service to CAO and/or AOA

- Leadership roles in CAO or AOA, including any special assignments, committees or projects and their major achievements in the participation in these roles.
- Promotion of the association goals and programs.
- Activity in support of association projects.
